

**NAME:**

**Directions:** Working with Your table group (I only need one packet of bubble maps per group) you are going to research and create bubble maps for economic systems & forms of government

- ☐ MUST use your own words & be able to explain it...aka don't just copy from the internet
- ☐ Each bubble map must have a **MINIMUM of 7 facts** & must include the following:
  - Basic characteristics of each system
  - Give an example of where it is used (regardless of the # of examples you give, it only counts as ONE of the 7 facts)
  - Positives & negatives of each system
  - **\*\*Make sure these are all in YOUR OWN WORDS\*\***

**Topics for bubble maps (You are creating 7 total bubble maps & you can have more than one on each page)**
