

CRASH COURSE: RENAISSANCE

- People were no longer religious during the Renaissance **T F**
- What does John Green say is the primary reason the Renaissance starts in Italy?
- How did Genoa and Venice get so “stinkin’ rich”?
- If you include scientific thought in the Renaissance, who is arguably the greatest mind of the time?

Why does John Green argue the Renaissance didn't actually exist?

1.	2.	3.
-----------	-----------	-----------

_____ % of people never encountered the wealth of the Renaissance?

- WE remember the Renaissance as important because

- John Green says the Renaissance wasn't actually a “thing” it was...
