

Name _____

GENDER BIAS IN SOCIETY

STATION #	Analyze the graphic/chart. What is it showing? What information about gender bias is embedded in it?	What can you infer more broadly about gender bias in this area? What potential problems might emerge by having unequal representation?

Final question—answer on back

How does gender bias shortchange voices that are urgently needed in society? Choose 1 of the above areas of representation and explain how it might look different with more equitable representation of women.
