## Middle Ages Art vs. Renaissance Art

Today we are going to do an exploration of both Medieval and Renaissance Art. The purpose of this webquest is to explore the different characteristics and qualities in art from the two different time periods. The renaissance was a drastic shift from the Middle Ages. We have talked about some of the political, religions, and social shifts, but these changes also occurred in art. Please chose works from the lists below, and complete the following tables. You must select **2** works from the Middle Ages and **4** from the Renaissance.

### Middle Ages

- Last Judgment – Giotto
- The Lamentation – Giotto
