## FEAR 52 PERISHED IN LAKE MICHIGAN; FERRY IS MISSING

Wreckage Picked Up Indicates Craft Went Down With All Aboard.

Milwaukee, Wis., Oct. 24 (AP)—Hope that the car ferry Milwaukee of the Grand Trunk fleet, with 52 aboard, had weathered the 48-hour storm on Lake Michigan faded today with a report that wreckage from a boat had been picked up 10 miles off Wind Point, which is about 4 miles north of Racine.

Capt. C. N. Bedell of the steamer Colonel told Grand Trunk officials here that he sighted empty lifeboats, mattresses and the upper parts of a white cabin, floating in the lake off Wind Point. The upper part of the Milwaukee was painted white.

Freighter Donaldson Safe.

Superior, Wis., Oct. 24 (AP)—The freighter Donaldson, overdue here since Tuesday night, arrived this morning from Apostle Islands, where it had put in to await abatement of the storm which swept the Great Lakes. The Donaldson was loaded with coal.

## PIECE OF PLANE LIKE DITEMAN'S IS FOUND AT SEA

Black and Orange Wreckage Indicates Daring Flier Went to Death.

St. John's, N. F., Oct. 24 (by the Canadian Press)—The report from Harbor Grace that the S.S. Kyle had picked up a message from an unidentified ship concerning the finding of airplane wreckage was stated by the Newfoundland management to be without foundation. The management has had no message from the Kyle.

Harbor Grace, N. F., Oct. 24 (AP)—A radio message from "Operator Serrick" of the S. S. Kyle today advised that he had picked up a Marconi message from the S. S. Scythia that another ship, name unknown, had discovered a piece of airplane wreckage at 2 p.m. yesterday. The wreckage was black and orange. The message did not give the ship's position.

The S.S. Kyle is presumably the Newfoundland Government ship of that name.

(The little plane in which Urban P. Diteman essayed to cross the Atlantic from Harbor Grace to London had a black fuselage and its wings were painted orange.)

No Diteman Gax in Greenland. Copenhagen, Oct. 24 (AP)—Daugaard Jensen, Governor of Greenland today informed the Associated

Grundy, Bristol, Pa., manufacturer who admittedly has been lobbying in the capital for several decades in the interest of a protective tariff, testified before the Senate Lobby Committee today that he raised \$700,000 for President Coolidge's campaign in 1924 and that most of the money came from interests seeking higher tariffs.

He intimated that he was in favor of more lobbying for higher duties.
