

Name _____ Class _____ Date _____

The Spread of Revolution

Directions: Locate and label the European nations that were invaded by Napoleon and the revolutionary army of France. Use **4 different colors** to shade (1) **France and the French empire**, (2) **states dependent on Napoleon**, (3) **states allied with Napoleon**, and (4) **the countries allied against Napoleon**. In addition, please **create a symbol** and label the battle sites for the **Battle of Waterloo** and the **Battle of Cape Trafalgar**. In the blank box, create a key for your finished map that indicates the colors for each topic and symbol used for battle sites. **Use the map on pg. 595 to complete the assignment.**
