WWII Map (Europe & North Africa)

WWII Map

- You will need 4 different colors
- Label **ALL** Nations of Europe & North Africa (Use textbook pages 928 & 943 to label North Africa)
- Shade the countries corresponding to **four categories**:
 - Axis nations in 1939
 - Axis controlled in 1941
 - Allied nations
 - Neutral nations
- **Be careful when shading the USSR** (You will need to divide it between allied & axis powers)
- **On the back (or in a margin) answer this question**:
 - How close were the axis powers from winning the war in 1941? Predict why the allies end up winning the war in Europe.
